ANSWER SHEET:

1. Gen Zs think that homework...

- a. is related to music to the ears
- b. can delay self-growth
- c. is similar to an outdated and cruel concept - CORRECT: Homework was said to be similar to 'slavery'. Option B is incorrect since the 'delay' in self-growth was never mentioned, rather it was about how self-growth would just have been restricted completely.
- d. demands compensation

2. Parents supporting homework were from the area of...

- a. River Lakes
- b. Island Lakes - CORRECT.
- c. nearby neighbourhoods
- d. Blue Lakes

3. Why should we listen to Jose Gomez?

- a. Since he is a professional - CORRECT: He is a child psychologist.
- b. Since he is a father of two
- c. Since he makes a lot of sense
- d. Since his ideas can genuinely help children

4. What is the importance of Google in this recording?

- a. It can replace homework - CORRECT: It was mentioned how children can avoid homework since they can now get most answers through Google. Option C is correct in real life but in the

recording, as specified by the question, it was not mentioned how Google will help in searching for videos.

- b. It can replace teachers
- c. It can help in video searches
- d. It can help in memorization

5. What is Mr. Gomez accusing parents of?

- a. calling kids lethargic
- b. punishing kids
- c. victim blaming
- d. characterizing kids - CORRECT: He mentioned how parents label kids as “lethargic” which is a way of characterizing their personality.

6. Gen Zs...

- a. want parents to listen
- b. want to socialize
- c. want to engage in sports
- d. want to cherish their youth - CORRECT: The recording mentioned: “They question, why is the pressure put on them to overwork after school hours when they should be firstly, enjoying their youth and experiences that they can have at that age which they won't be able to ever again in their lives.”
