

# How To Use The HZad AI Assistant?

World's first-ever CELPIP-specific AI tutor!

-Ask any questions related to the course: Where should you start, how many hours should you spend daily, what lectures are ideal for you based on your scores...

-Your personalized learning path: Tell the assistant your score and what your needs are (deadline, targets). It will create personalized learning paths for you.

-Mention your score requirements, scoring history, current performance, etc. The assistant will evaluate you and point you in the right direction.

-Ask any exam-specific questions, for any module, and any part!

-Mention what areas you are struggling or stuck with to get personalized recommendations.

-Ask it to generate games, give you feedback, assess your progress, tell you what to do next...

**Basically**, ask the assistant **any and all** questions you have related to your exam! This assistant is a pro and your own private CELPIP teacher, available 24/7 to answer all your questions! :)
