

Note: The templates are meant to be used as guides. They help you understand how to fit advanced words in the right places with the right flow. You don't have to strictly copy/paste them. Use them naturally where they fit. Always do your best to modify your words based on the questions' requirements and key points.

Sample Question:

A popular local restaurant is considering rebranding with a new theme and menu. It is faced with two choices.

Choose between options A and B. Why do you prefer your option? Explain the reasons for your choice, and write about 150-200 words.

Option A: International Fusion Cuisine: The restaurant will offer a menu combining elements from various international cuisines.

Option B: Farm-to-Table Concept: The restaurant will focus on locally sourced ingredients with a menu that changes based on seasonal availability.
