

5% OFF CELPIP EXAM BOOKING

- **ONLY offered by HZad Education!**
- **No Catch. Simply save on your exam booking fee.**
- **Note that after taxes, on the official CELPIP website, you typically pay around \$330 CAD for the exam. This voucher reduces that amount by approximately 5%. These vouchers are valid for official CELPIP registrations and can be applied during checkout on the official CELPIP booking website. We currently have access to a limited number of these vouchers through one of our partner networks.**
- **The voucher purchase is separate from the actual exam booking. After purchasing the voucher, you will receive a code that can later be used during checkout on the official CELPIP booking website after selecting your preferred exam date and location.**
- **This voucher system works as a prepaid exam purchase. In other words, you first purchase the discounted voucher, then use the provided code when booking your official CELPIP exam online.**
